

**PLANT BIOLOGY GRADUATE GROUP
PH.D/MS ORAL EXAM COMMITTEE NOMINATION FORM**

Student's Name: _____ Student I.D. #: _____

Department: _____ Lab Phone: _____

Email: _____

Academic Adviser: _____ Major Professor: _____

Degree: **Ph.D. OR M.S.**

Ph.D.: Each student must satisfy the prerequisites, complete the core requirements and take a minimum of 5 upper division and graduate courses in his/her area of specialization. Each Ph.D. student is expected to have completed the required coursework by the end of the second year; all required coursework must be completed by the end of the second year.

M.S.: Under Plan II the student concluded the courses of study by taking a comprehensive oral examination administered by a three-member faculty committee. The student selects the committee with the advice of her/his Academic Adviser.

Plant Biology Graduate Group Specialization Area: (Please select one)

1. Cell and Developmental Biology (CDB)
2. Molecular Biology, Biochemistry & Genomics (MBBG)
3. Systematic and Evolutionary Biology (SEB)
4. Environmental and Integrative Biology (EIB)

Suggested faculty for the qualifying examination committee (to be submitted by the end of the second year):

Subject Area:	Suggest I	Suggest II	Approved
Specialization & Chair:			
Specialization:			
General Plant Biology:			
Subject #1, :			
Subject #2, :			

Signature of Academic Adviser: _____ Date: _____

Signature of Suggested Oral Exam Date: _____

Signature of Student: _____

Signature of Student: _____
